Exciting Opportunity for SoutholdVOICE Members!

FREE all day trip to Plum Island Animal Disease Center

September 27, 2016

Since 1954 Plum Island Animal Disease Center (PIADC) has served as the nation's premier defense against accidental or intentional introduction of foreign animal diseases, including foot-and-mouth disease. Plum Island is the only laboratory in the nation that can work on live foot-and-mouth disease virus. The lab and its staff of nearly 400 employees provide a host of high-impact, indispensable preparedness and response capabilities, including vaccine R&D, diagnostics, training, and bio forensics.

Please email us at info@southoldvoice.com. Let us know that you are interested to be entered into the free raffle for 2 seats. If you are not a member please join and be entered into the raffle. Seats are limited.

Drawing will be July 8, 2016.

Please only enter if you can make September 27 and will be willing to provide confidential information for Security Clearance. See our website for more details.
